BY ORDER OF THE TRUSTEES

TRUSTEE
TANA RIVER LIFE FOUNDATION

25th June 2021

STATEMENT OF TRUSTEES'S RESPONSIBILITIES

It is the responsibility of trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the foundation as at the end of the financial year and of the surplus/(deficit) for that year. The trustees are also required to ensure that the foundation maintains proper accounting records that disclose, with reasonable accuracy, the financial position of the organisation. The trustees are also responsible for safeguarding the assets of the foundation.

The trustees accept responsibility for the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. The trustees also accept responsibility for:

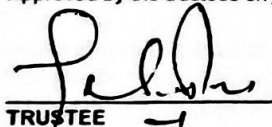

- i. Designing, implementing and maintaining such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error;
- ii. Selecting and applying appropriate accounting policies; and
- iii. Making accounting estimates and judgements that are reasonable in the circumstance.

The trustees are of the opinion that the financial statements give a true and fair view of the financial position of the foundation as at 31 December 2020 and of the foundation's financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs) and the requirements of the NGO Co-ordination Act.

In preparing these financial statements, the trustees have assessed the organisation's ability to continue as a going concern. Nothing has come to the attention of the board to indicate that the organisation will not remain a going concern for at least the next twelve months from the date of this statement.

The trustees acknowledge that the independent audit of the financial statements does not relieve them of their responsibilities.

Approved by the trustees on 25th June 2021 and signed on its behalf by:

REPORT OF THE INDEPENDENT AUDITOR TO THE TRUSTEES OF TANA RIVER LIFE FOUNDATION

Opinion

We have audited the organisation financial statements of Tana River Life Foundation out on pages 7 to 18, which comprise the statement of financial position as at 31 December 2020, statement of income and expenditure, statement of changes in funds and statement of cashflows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the organisation as at 31 December 2020, and of its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SME) and the requirements of the NGO Co-ordination Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organisation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The trustees are responsible for the other information. The other information comprises the report of the trustees, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Trustees for the Financial Statements

The trustees are responsible for the preparation of the financial statements that give a true and fair view in accordance with the IFRS for SMEs and the requirements of the NGO Co-ordination Act and for such internal control as the trustees determines is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the organisation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the organisation or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organisation's financial reporting process.

REPORT OF THE INDEPENDENT AUDITOR TO THE TRUSTEES OF TANA RIVER LIFE FOUNDATION (CONTINUED)**Auditor's Responsibilities for the Audit of the Financial Statements**

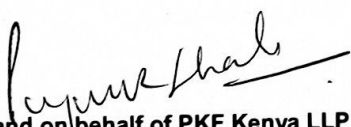

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organisation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and based on the the audit evidence obtained, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organisation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES: SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1. General Information

The Tana River Life Foundation (the organisation) is a Non Governmental Organization registered and domiciled in Kenya. The address of its registered office and principal place of business is in Tanariver Kenya. Their principal activities are mainly directed towards building a more just and honest society leading to a more complete humanity.

a) Basis of preparation

The financial statements of Tana River Life Foundation have been prepared in accordance with the IFRS for SMEs and the requirements requirements of the NGO Co-ordination Act. They have been prepared under the historical cost convention.

The preparation of financial statements in conformity with the IFRS for SMEs requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the organisation's accounting policies. Areas involving a higher degree of judgement or complexity, or areas where assumptions and estimations are significant to the financial statements, are disclosed in note 2 (b).

Going concern

The financial performance of the organisation is set out in the trustees report and in the statement of profit or loss and other comprehensive income. The financial position of the organisation is set out in the statement of financial position.

Based on the financial performance and the position of the organisation and its risk management policies, the trustees are of the opinion that the organisation is well placed to continue in business for the foreseeable future and as a result the financial statements are prepared on a going concern basis.

b) Key sources of estimation uncertainty

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are disclosed below.

The assumptions and judgements set-out below do not consider the full potential impact of the recent coronavirus outbreak as it is too early at this stage to predict the full potential impact of this on the financial statements of the organisation.

- Useful lives of property and equipment

Trustees reviews the useful lives and residual values of the items of property, plant and equipment on a regular basis. During the financial year, the trustees determined no significant changes in the useful lives and residual values.

c) Revenue recognition

The organisation recognises revenue when: the amount of revenue can be reliably measured; it is probable future economic benefits will flow to the entity; and when the specific criteria have been met for each of the trust's activities as described below.

NOTES: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c) Revenue recognition (continued)

- i) Donations received are accounted for on a cash receipt basis.
- ii) Interest income is recognised on a receipt basis.

d) Property and equipment

All property and equipment is initially recorded at cost and thereafter stated at historical cost less depreciation. Historical cost comprises expenditure initially incurred to bring the asset to its location and condition ready for its intended use. Property and equipment received by way of gifts or donations are capitalised at a reasonable estimate of their value to the foundation.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost can be reliably measured. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the income and expenditure account during the financial period in which they are incurred.

Freehold land and work in progress are not depreciated.

Depreciation on all other assets is calculated on the reducing balance basis to write down the cost of each asset, to its residual value over its estimated useful life using the following annual rates:

	Rate %
Buildings	2.5
Motorvehicles	25
Office equipment	12.5
Computer equipment	30
Furniture and fittings	12.5

The asset's carrying amounts are written down immediately to their recoverable amount if the carrying amount is greater than their estimated recoverable amount.

Gains and losses on disposal of property and equipment are determined by reference to their carrying amount and are taken into account in determining surplus/deficit for the year.

Capital expenditure projects undertaken during the course of the year and not completed as at the reporting date are classified as work in progress. The total amounts is transferred to and amalgamated with the appropriate asset category in the year of completion. Capital work in progress is not depreciated while classified as such.

e) Financial assets

Receivables are initially recognised at the transaction price (less transaction costs). Most sales are made on the basis of normal credit terms, and the receivables do not bear interest.

f) Cash and cash equivalents

For the purposes of the statement of cash flows, cash and cash equivalents comprise cash in hand, deposits held at call with banks, and financial assets with maturities of less than 91 days, net of bank overdrafts.

NOTES: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

g) Payables

Accruals and other payables are obligations on the basis of normal credit terms and do not bear interest.

h) Translation of foreign currencies

Transactions in foreign currencies during the year are converted into Kenya Shillings (the functional currency), at average annual rate of conversion from US\$ to Ksh at the Stanbic bank accounts. Assets and liabilities at the date of this report which are expressed in foreign currencies are translated into Kenya Shillings at rates ruling at that date. The resulting differences from conversion and translation are dealt with in the income and expenditure account in the period in which they arise.

i) Leases

Leases in which substantially all the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease.

j) Current tax

No taxation has been provided in these accounts, as the organisation is exempt from tax on its income as discussed in note 6.

Tax exemption renewal application was made on 11 July 2018, and the trustees are following up on the renewal.

k) Employee benefit obligation

Pension obligation

The foundation and its employees contribute to the National Social Security Fund (NSSF), a statutory defined contribution scheme registered under the NSSF Act. The centre's contributions to the defined contribution scheme are charged to income and expenditure account in the year to which they relate.

6. Tax

The entity is a charitable organisation exempt from income tax under schedule 1 (paragraph 10 of the Income Tax Act. Whilst the foundation does not have a tax exemption certificate at present, the foundation deals in activities which are not for profit and therefore the management is of the view that the society would not be subject to tax. No taxation has been made in these financial statements. Tax exemption renewal application was made on 11 July 2018 and the trustees are following up on the renewal.

11. Contingent liabilities

The Organisation is a defendant in a legal action whereby an unfavourable ruling was made on 27 May 2020. A notice to appeal was lodged on 8 June 2020 by the trustees through the Foundation's lawyers. A stay of execution on of the judgement was obtained in favour of the organisation pending hearing and determination of the intended appeal.

Although there can be no absolute assurances, the trustees believe, based on information currently available that the ultimate resolution of this legal proceeding is not likely to have a material adverse effect on the results of its operations, financial or liquidity.

All legal and court expenses incurred so far has been fully underwritten by TCP Endowment Fund, a private trust.
